

KYC Requirements to open an SCD Account

The Airtel Uganda IPO will be fully electronic and thus investors are encouraged to open their SCD accounts and apply online using the Easy Portal available at <https://scd.use.or.ug>. Kindly have the following documentation ready before starting the account opening process

Individuals

- National ID or Passport (will need to be certified by Dyer & Blair)
- 3 months Bank Statements
- KRA Pin (Kenyan investors)
- Passport size photo

Companies

- Certified Certificate of Incorporation
- Trade name under which the entity or body conducts business
- Articles and Memorandum of Association or any other form of incorporation documentation
- Board resolution indicating that the account is to be opened with the USE and the relevant signing powers
- Certified IDs or Passports for signatories
- Bank Statements
- Passport photos of signatories

Clubs, Associations and Committees not set up by GOU

- Certified Proof of Registration
- Constitution/Memorandum of Understanding
- Board resolution indicating that the account is to be opened with the USE and the relevant signing powers
- Certified IDs or Passports for signatories
- Bank Statements
- Passport photos of signatories

Partnerships

- Registered Partnership Deed
- Certificate of Registration of the Business
- Legal document listing authorized signatories
- Certified IDs or Passports for signatories
- Bank Statements
- Passport photos of signatories
